Hi Team – see attached the two letters that will be included in the SOW. Let me know if you have any concerns. I plan to review these concurrently with the samples Roger sent last week that Chemours has sent to residents over the last 6 months. I expect we'll have a completed SOW to review from Kathy tomorrow. Thanks-Jacquie

Jacquie –

As we discussed this evening, I am attaching copies of the two form letters that will serve as Attachments 1 and 2 to the Scope of Work for Supplemental Sampling Activities.

Please let me know if you should have any questions.

Best regards.

Michael
